COUNTRY	Poland	REPORT	
SUBJECT	Town Plan of Walbrzych	DATE DISTR.	29 Sep 1960
		NO. PAGES	3
		REFERENCES	
DATE OF INFO.			25X1
PLACE & DATE ACQ.			25X1

THIS IS UNEVALUATED INFORMATION

1.

A map of Walbrzych, prepared and published in 1959 under the auspices of the Polish Tourist-Travel Office

2.

The identification of these points is as follows:

- 1) Railroad passenger station in Szczawienko.
- 2) Freight and coal yards. Located east of the railroad track and just north of the Szczawienko passenger station. All of the coal mined in Walbrzych is shipped to various parts of Poland from this point.
- 3) Foundry. Part of the enterprise known as Dolno Slaskie Warsztaty Naprawcze (See No 4 below). Located about 50 metres east of the Szczawienko station (Point No 1).
- 4) Dolno Slaskie Warsztaty Naprawcze - The Lower Silesian Repair Shops. Devoted to repair and maintenance of motors and machinery used in coal mining operations. Consists of two buildings located between Ogrodowa Ulica and Fabryczna.
- 5) Duta Karol - This plant produces gears for industrial machines.
- 6) Prison Camp - Barbed wire enclosed area housing approximately 1500 inmates in one story barracks. Guard towers at each corner of area.
- 7) Large housing project under construction.
- 8) Site of former foundry making casts for motors and hydraulic pumps as well as bronze castings. Destroyed by fire in May 60.

- 9) Electrical department of the Dolno Slaskie Waresztaty Naprawcze. Consists of one square three-story building.
- 10) City railroad station. Located on the street known as Ulica Garmonej Armii. Building dates from German period.
- 11) Coal mine "Gwalibog".
- 12) Auto and truck shop of the Lower Silesian Repair shops.
- 13) Headquarters of Militia (MO). Also houses UB unit. This is a large five-story building of rectangular shape. Located between Ulica Mazowiecka and Ulica Solaskiego. The UB office and entrance are on Ulica Mazowiecka; the MO section fronts on Ulica Solaskiego.
- 14) Municipal rest house - set in small park south of the Militia Headquarters.
- 15) Sports stadium. Built in 1953.
- 16) Hospital "Toas" - this is a general hospital concerned with internal medicine.
- 17) City electric plant - a large building dating from the German period. It is located on Brosowa Ulica near the triangle formed by the streets Paciborska and Wyszockiego.
- 18) Coal mine "Thores". It is located on the south side of Ulica Wyszockiego.
- 19) National Bus Lines (PKS) station. This is a new building, having been constructed only several years ago. It adjoins the city electric plant.
- 20) Hotel Grunwald. A five-story building containing 312 rooms. Patronized by local UB and MO representatives.
- 21) City Hall. Faces the small park known as "Obroda Stalingrada". It houses some offices of the local Presidium (Miejskie Rada Narodowa - MRN).
- 22) Building housing the MRN. It is located on Aleje Wyzwolenia, south of the city hall.
- 23) City fire station - this is the only station in the city. It is a large unit equipped with the most modern fire fighting apparatus.
- 24) Headquarters building of the Lower Silesian Coal Industry Institute. This is a large three-story building which houses offices and laboratories.
- 25) Coal mine "Hieszko". Includes coke ovens. It is located west of the end of Ulica Gornicza.
- 26) So-called "Thin" railroad station. Old German building. Not used as result of slipping foundation. Chored and boarded. A temporary wooden building adjoining it used as passenger terminal.
- 27) Coal mine "Chrobry". Includes large battery of coke ovens. Largest mine in Walbrzych.
- 28) Coal mine "Wiktoria". Extends southward to wooded area.
- 29) Coke ovens.
- 30) Electric power producing plant "Wiktoria". Located west of coal mine "Wiktoria" in angle formed by Ulica Hostacka and Ulica Szttygarska.
